About This Content

The PostMortem Character Pack adds 4 more new and unique playable characters for Killing Floor as Downloadable Content. Once you have bought the pack, they will become selectable in the character selection screen in-game.

Harold Hunt

Harold was the front man for the underground punk band "The Fecking Nancies", who played mingin' pubs and bars all over South London. And if he wasn't screaming into a microphone about anarchy and chaos he was out causing it by kicking the shite out of cockneys, chavs and pikies before stealing their bling. Courtesy of the Horzine outbreak, he's finding out what real

anarchy and chaos is.

Kerry Fitzpatrick

After disfiguring one inmate in his last prison fight, the others stopped calling "Kerry" a girl's name. During his transfer to the high-security psych ward at Broadmoor, he watched the guards get eaten by a herd of crazed, emaciated mutants. Kerry took pleasure ripping apart the monsters before looting the dead prison guards. From life in prison to a free man in seconds, Kerry has found a world where he truly fits in.

Trooper Clive Jenkins

When he wasn't jumping out of airplanes and breaking heads for the British government, Jenks could usually be found getting rat-arsed in the pubs of Aldershot and picking fights with civvies. C Company was on standby when word of the outbreak struck. They loaded into the Herc and jumped over London. Straight into a mob of chainsaw-wielding nutters. Come and get some, ya ponces!

Paramedic Alfred Anderson

Working nightshift for the hospital can be interesting. It's also a good place to stock up on supplies when the whole city has turned into a cannibalistic feeding frenzy. Well equipped and knowledgeable, Alfred's a good ally to have when a fleshless creature is beating down your door.

These Killing Floor characters really adds to the attitude to the game. The things these change are nothing really big except when you speak you get to see the character you are in the pop out picture. The other change you will see with these skins is on the left arm when you are holding the gun you will see a change in color and detail. It adds to your visuals not so much but affects how other people see you. They are fun to mess around with and change. I enjoy these character packs very much, I think they are fun to choose a character that fits your style of gameplay and your attitude in general. These character packs are for other people's benefit and not just your own so if your expecting a big change you will be disappointed. I would suggest picking up the character skins in the "Killing Floor Complete" with the base game in it or when you see them on sale individually. I have enjoyed using these skins as it adds more "Character" to the game.. +[Paramedic Alfred Anderson] is my favourite character. I am always play with he! :happymeat:

I have bought this for **Tripwire Interactive who made this awesome game 'Killing Floor! :Dosh: If you like this game, buy this DLC for support :Dosh: the 'Tripwire Interactive' and the 'Killing Floor'. :Dosh: Sincerely. @Atlaimond [HUN] :spacepony:.** [I got this as part of the Killing Floor Bundle. This DLC is the only character DLC I care about because of Paramedic Alfred Anderson: because I mainly play Field Medic. this character pack allows me to look the part as well.. \u00d3tima DLC com personagem muito louco.](#)

[Isso \u00e9 uma an\u00e1lise critica feita por mim e n\u00e3o por um profissional. n\u00e3o reclame! \(\u00c9 MINHA OPINI\u00c3O\). The PostMortem Character Pack is one of the more decent skin DLCs for the original Killing Floor in my opinion, although I prefer the similar London's Finest pack a little more. These character DLCs are mostly for KF1 superfans, not to mention overpriced and utilizing the same two male voicesets that most characters use. The less popular packs do help KF1 aficionados stand out from the crowd, at least. Despite the relative quality of the PostMortem pack, I'd only really recommend this to those aforementioned aficionados.. Worth getting on a 80% discount if you want to have a proper skin for the field medic. The remaining characters are just meh. Killing Floor offers enough soldiers in the base game, the prisoner in his colorfull onesie looks like a \u2665\u2665\u2665\u2665ing baby and the punk musician has the appearance of an ex boys band member. But still, thumbs up for Alfred Anderson.. Worth getting on a 80% discount if you want to have a proper skin for the field medic. The remaining characters are just meh. I got this as part of the Killing Floor Bundle. This DLC is the only character DLC I care about because of Paramedic Alfred Anderson; because I mainly play Field Medic, this character pack allows me to look the part as well.. Harold Hunt the Rocking Support Specialist

Kerry Fitzpatrick the Prisoner Berserker

Clive Jenkins the Trooper Commando

Alfred Anderson the Paramedic Field Medic

11V10 would recommend.

. DOSH! Spend it while you can! Twelve cents per model with the 75% sale. Yes, I have a Steam purchasing addiction.. I got this DLC in the complete pack. All off them suffer from the same flaws so this review is copied to all of them.

Now. The skins and weapons are totally fine. The problem here is the extreme pricing and the fact that this game has a modding community with better, free, stuff. They even admit that a lot of this is made by said community. I as a console peasant and a sucker did not get this simple fact and pronounced \u201cYes! I do want to pay more!\u201d.

Don\u2019t be like me. Don\u2019t suck, blow\u2026 wait, what?. +[Paramedic Alfred Anderson] is my favourite character. I am always play with he! :happymeat:
